

DEMENTIA LIVE™

Dementia Live offers a unique inside-out understanding of dementia and aging. Participants will gain a heightened awareness of the challenges faced by those who live with dementia, and learn valuable tips and tools to improve communication and care.

Using specialized gear in a safe, experiential setting, Dementia Live™ provides participants with a real-life simulation of what it might be like to live with dementia. Participants gain greater understanding which can lead to becoming a more sensitive care partner.

Space is limited. Preregistration and screening is required.
